Classes & Activities

Students

Classes will begin on Monday, July 11 at 9am. While every effort is made to provide each student with a compactly designed schedule, students may have breaks in their schedule throughout the day. These breaks will provide time for extra practice and rest.

Please bring a pencil, your flute, any music you would like to work on with our faculty, a metronome, and a piccolo, if you have one. We request that students do not leave campus without permission of the Workshop staff and adult supervision.

Come prepared to play a polished piece for the first class meeting. Your teacher can readily assess your needs by hearing a technically and musically mature piece. Students will receive additional repertoire on site.
