

Every Child Can!® An Introduction to Suzuki Education

Did you learn to speak before learning to read?

So did we!

Every Child Can! (ECC!) is a one-day introductory course on the Suzuki philosophy and its application to education. For parents, teachers, prospective teachers and others, this course provides an inspiring, in-depth look at the Suzuki approach to teaching and learning. For teachers, ECC! serves as the first course in the Suzuki Association of the Americas Teacher Development Program.
