

Suzuki Association of the Greater Washington Area  
invites you to...

The 19th Annual Suzuki Flute Institute

## Did you learn to speak before learning to read?

So did we! Come experience and learn about the Suzuki Method with founding developer, Toshio Takahashi and guest faculty-artists including Laura Larson, Laurel Ann Maurer, and Wendy Stern.

Students receive daily master classes, group repertoire classes, daily concerts, and enrichment classes (Orff, Music Mind Games, and flute choir—yes, we read too).

Interested in teaching Suzuki Method? Teacher-training classes for Books 1, 3, and 10 will also be offered between June 29-July 7, 2019.

Wednesday, July 03, 2019 at 7PM

Toshio Takahashi presents an open workshop (bring a stand and your instrument). For all instruments.

Pieces will be chosen from  
Moyse's "Tone Development  
Through Interpretation"
